FOR TEACHERS' PENSIONS

Association Indorses Proposition to Provide Annuities for Long-Time Service.

Members of the Lincoln Park Citizens' Association last night indorsed the measthe pensioning of public school teachers. Prof. Allan Davis, principal of the Business High School, in a short discussion of the matter, said the fund in hand will not permit the pensioning of any more than the twelve teachers who at present

Prof., Davis said he had read what President Taft had said about the pensioning of government clerks, and the school teachers, he added, are in a position to meet the conditions pointed out in the message. Many of the younger teachers, he stated, do not join the Teachers' Aid and Annuity Association for the reason that they expect to get married, and that they will never enjoy anything from the pension fund.

stated, why Congress should act favorers get old and have done good service he stated, no person is inhuman enough to put them aside without compensation and at the same time it should be remembered that such teachers are not always capable of doing the best for the children who attend their schools. A Business Proposition.

"And, after all," he said, "it is strictly business proposition." When Prof. Davis had finished his narks Seth D. Gage said he thought the ssociation should take some action, sugresting that it should at least indorse ciation, by unanimous vote, gave its inlorsement, and Secretary Riordan will that a number of associations had discussed the regulation requiring horsedrawn vehicles to carry lights during certain hours. He maintained the Commis sioners had acted wisely, and he moved that the association indorse the measure. His motion was referred to a commit-

Communications were received from JAPANESE NAVY CHIEFS the Rhode Island Avenue and Takoma Park Citizens' associations, asking an indorsement of resolutions they had passed respecting the Washington Gas Light Company. The resolutions condemned the action of the company for increasing its capital stock without special sanction of Congress, asked for an investigation of the company and favored municipal ownership of the plant. The resolution President Edwards told of the work of the Federation of Citizens' Associations and referred to the visit paid President Taft by members of the organization. The President, he said, displayed much interest in the questions that were discussed
